ANDREW SZYMULA

CONTENT & SEO
TEAM LEADER

ABOUT ME

Once, a freelancer and curiosity-led journalist. Nowadays, a passionate **team leader**, **with 6+ years of experience in content creation** - mainly for **finance** and **tech industries.** You need quality content - I offer editorial standards, writer mentoring, and robust AI know-how. Give me a yearly supply of yerba mate and I'll equip you with a delta-force editorial team that writes tutorials out of this world.

EXPERIENCE

- **CONTENT MANAGER [Healthcare Finances]**
  Flobotics, USA 🇺🇸 (2025 - 2026)

  In-depth technical content · 2026 industry report · SEO / AEO / GEO · Site architecture & topical map via Claude + Obsidian (Karpathy method) · Screaming Frog · Cross-team ownership (founders, devs) · 2x blog growth y/y

  Profisun Poland, PL 🇵🇱 (2020)

  Press kit graphic design · Visual identity of the consortium · WordPress SEO optimization

AI & LLM

- I've written my own MCP servers and built several production pipeline automations in Google Apps Script with the help of Claude Code.
- Most recently, I used Obsidian with Claude to map every content piece & entire knowledge graph, to control AI quotes, content strategy & production direction (happy to tell you more in the interview).
- I'm currently exploring self-hosted Qwen and Llama models and ways to optimize token costs for content at scale.

TECH-STACK

- Hemingway App
- Grammarly
- Quora
- AlsoAsked
- Claude Code
- Obsidian
- Perplexity
- GPT Astra

LANGUAGES

- Polish Native
- German A2
- English C2
- Russian A1
